

Hey there,

jocelyn whysall filled out the B-VAG Contact Form, and here's what they said:

I would have appreciated notification of the survey taken in May 2015.

I suppose I should have been accessing the BVAG pages daily if I wanted to send my opinion. There was no excuse for my not being informed of the survey as you already had my email address. Incidentally, how was the intended survey advertised?

If Barmouth Council is suggesting it may no longer be prepared to spend 30,800 pounds of taxpayers money on maintaining the bridge walkway, then where is the logic in your organization proposing to spend 3 million pounds of taxpayers money to create a walkway to nowhere?
